Industrial Continuous Frying Machine Commercial Automatic Chin Chin Fryer Machine

Specifications :

Brand Name	LOYAL Automatic Fryer Machine
Place of Origin	China
Min.Order Quantity	1set of Chin Chin Continuous Fryer making machine
Payment Terms	D/P,T/T,
Delivery Detail	20days--35days
Packaging Details	Export-compliant fryer equipment packaging
Honor	A Number Of National Fryer Equipment Patents
Technology	Ten Years Of Fryer Equipment Manufacturing Process

Detail Introduction :

How Do I Start The Successful Chin Chin Business?

Industrial continuous frying machine commercial automatic chin chin fryer machine consists of: belt conveying system, automatic rising system, automatic filter system, automatic oil temperature controlling system, oil adding system and heating system. Automatic chin chin frying machine can be used in fried dried fruit nuts, puffed food, meat product, etc, such as potato chips, rice crisp, sweet sticky rice strips, peanut, beans, and fried cake with sugar, squid, fried chicken, and so on. Parameter Of Automatic Chin Chin Continuous Frying Machine		
1	Frying Product	Snacks, Nuggets Burger, Fish, Peanuts A
2	Heating Method	Electricity/ Gas/Lpg/ Diesel/ Wood
3	Model	Xdl-2500/3500/4500/5500/6500/8500/110
4	Rated Power	Different Based On Model And Products
5	Frying Temperature	155-180?
6	Frying Temperature Range	80-300?
7	Temperature Precision	±1?
8	Frying Time	1-5mintues Adjustable
9	Frying Time Control Range	Frequency Adjustable
10	Mesh Belt Width	300mm/400mm/600mm/800mm/1000mm
