

Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment

Especificações :

Preço	Check with Frying Machine Team Saler
Número do modelo	Automatic Snack Deep Frying processing line
Local de origem	China
Condições de pagamento	L/C,D/A,D/P,T/T,
Capacidade de fornecimento	25Days of Continuous Frying Machine Equipment
Team	Fryer Machine Technical Team
Sales Team	Professional Fryer Technology Team
Honor	A Number Of National Fryer Equipment Patents
Technology	8 Years Of Fryer Technology

Introdução detalhada :

Introduction Of Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment

Continuous frying machine automatic fryer namkeen snack deep frying equipment's supporting automatic circulation filtration, automatic oil replenishment and other systems can effectively improve the degree of automation and reduce operating costs; electricity, heat transfer oil, coal, natural gas, liquefied gas and external circulation heating can be used for energy.

The process of Namkeen snack deep frying equipment is controlled by limit position, temperature control by zone, scientifically using the specific gravity relationship between vegetable oil and animal oil, so that the animal oil leached from the fried food Namkeen snack deep frying naturally sinks into the lower layer of vegetable oil, so that the working oil in the middle and upper layers is always maintained. Continuous frying machine automatic fryer namkeen snack deep frying equipment can fry all kinds of food at the same time, without smelling each other, one machine is multi-purpose, which can increase your business variety.

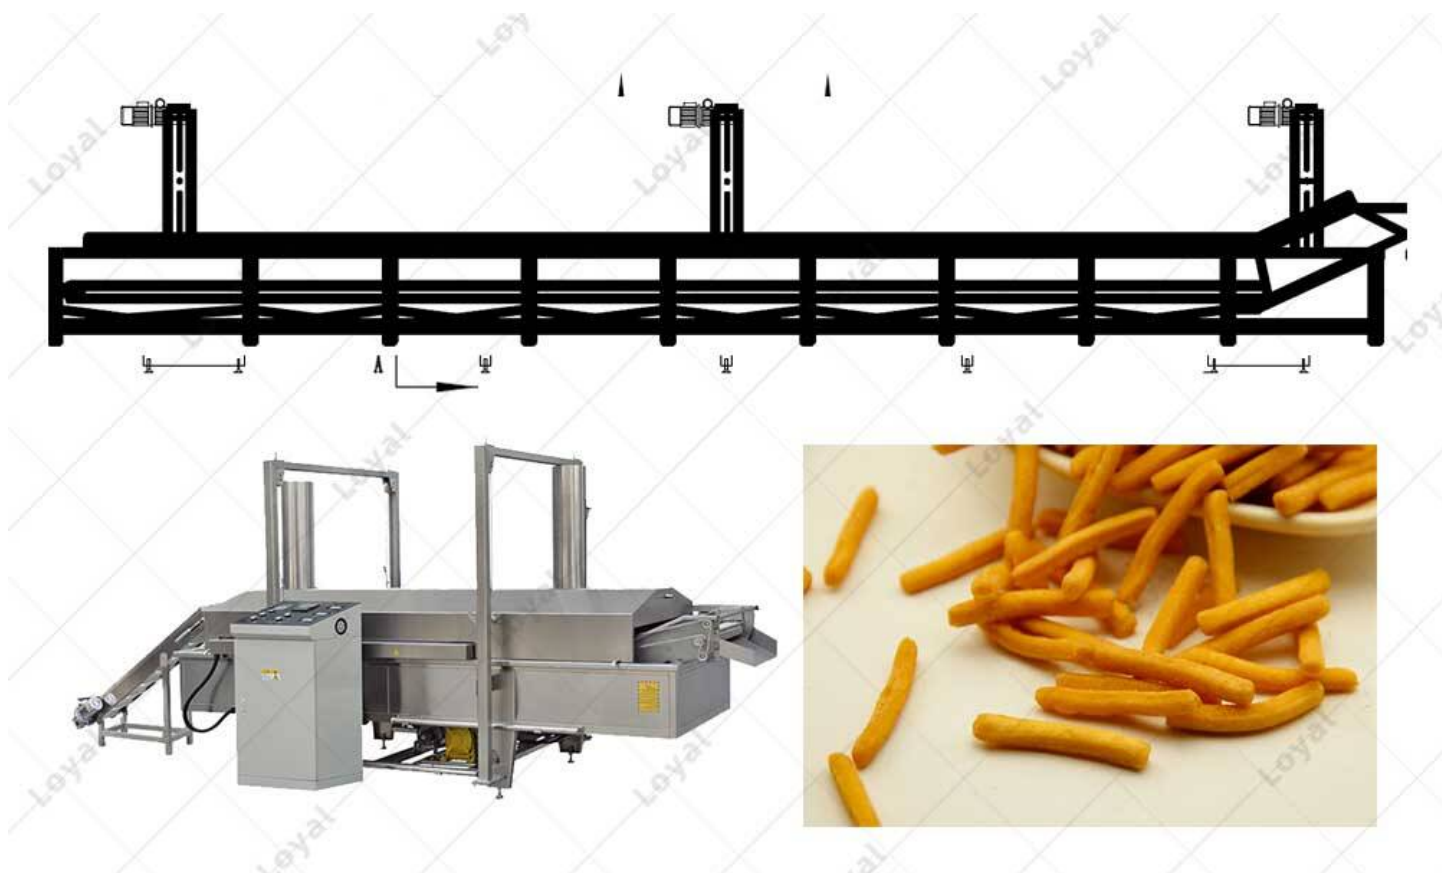

Application Of Namkeen Fryer Machine

Parameters Of Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment

Industry Large Fried Snack Fried French Fries Continuous Frying Machine		
1	Frying product	Snacks, nuggets burger, fish, peanuts and so on
2	Heating method	Electricity/ gas/lpg/ diesel/ wood
3	Model	LY-2500/3500/4500/5500/6500/8500/11000
4	Rated power	Different based on model and products
5	Frying temperature	155-180?
6	Frying temperature range	80-300?
7	Temperature precision	±1?
8	Frying time	1-5mintues adjustable
9	Frying time control range	Frequency adjustable
10	Mesh belt width	300mm/400mm/600mm/800mm/1000mm/1200mm
11	Price	4500usd--10000usd

Namkeen fryer prices are promotional prices for 2022, updated prices can be consulted with our Namkeen

Namkeen Fryer Machine For Factory Frying Equipment

Features Of Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment

Features Of Continuous Namkeen Snack Fryer Machine	
1	Continuous Namkeen fryer machine's mesh belt transmission adopts variable frequency stepless speed control, which is controllable frying time.
2	The continuous Namkeen fryer machine has an automatic lifting system, and the upper cover can be raised and lowered for easy cleaning.
3	The bottom of continuous Namkeen fryer machine is equipped with a slag discharge system, which can discharge the residue generated at any time.
4	Continuous Namkeen fryer machine adopts high-efficiency thermal conductivity device, which can reduce the heating rate, which is beneficial to reduce the cost of enterprises.
5	Continuous Namkeen fryer machine uses electricity, coal or natural gas as heating energy, and the main body is made of food grade 304 stainless steel.
6	The continuous Namkeen fryer machine uses upper and lower double-layer mesh belts for transmission, and the product is sandwiched between the double-layer mesh belts to prevent the product from floating.
7	The continuous Namkeen fryer machine is equipped with an oil circulation filter system, which can filter the residue during the production process, reduces the acid value of the oil, restores the color of the oil, and extends the service life of the edible oil by more than 10 times.

Application Of Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment In 2021

The Application Of Namkeen Snack Fryer Deep Machine	
Potato chips frying machine;	Tofu frying machine;
French fries frying machine;	Beans frying machine;
Walnut frying machine;	Chicken nuggets frying machine;

Fish frying machine;

Chicken feet frying machine;

Tofu frying machine;

Peanut frying machine;

Porkskin frying machine;

Eggplant frying machine;

Onion rings frying machine;

Samosa frying machine;

Namkeen snack deep frying equipment uses the axial fans to blow the surface water of the materials which are conveyed by the stainless steel mesh belt or rubber belt. The more fans namkeen snack deep fryer has, the effect is better. Continuous frying machine automatic fryer namkeen snack deep frying equipment is suitable for draining the surface water of granular and strip products. It's a necessary machine before vegetable freezing, packaging of minimally processing vegetable or frying of fried products. It also can be used for cooling after steam blanching.

Namkeen Snack Frying Manufacturing Line

Customer Cases Of Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment

The company has committed to the research and development of food machinery; the continuous frying machine automatic fryer namkeen snack deep frying equipment was developed after combined of advanced technology at home and abroad and repeated experiments. Now the machinery of the commercial deep fryer Namkeen snack processing line has been exported to singapore, canada, brazil, and western europe, and other countries and regions, promoting the development of the local economy.

Customer Cases For Large Scale Namkeen Snack Frying Line For Factory In 2021

1	1000KG/H CE Certificated Industrial Energy Efficient Equipment Snack Frying Automatic Dorito Russia Factory
2	5000KG/H Tunnel Type School Namkeen Frying Gas Heated Namkeen Fried Finger Potato Ch Machine Batch Fryer For Sale In Puerto Rico
3	6000KG/H Hot Selling Multi Function Electric Deep Frier Potato Fryer Machine For Restaurant

4	Senegal 800KG/H Ce Approved Potato Chips Fryer Machine Snacks Frying French Fries Deep
5	1000KG/H Energy Saving Large Ce Approved Potato Chips Fryer Machine Snacks Frying French Fries In Côte d'Ivoire
6	America 800KG/H Year Industrial Equipment In Burger King French Fries Chicken Conveyor Belt Machine
Customer Case Of Commercial Deep Fryer Namkeen Snack Processing Line Machinery In 2021	
1	500kg/h Industrial Continuous Frying Machine Automatic Fryer Namkeen Snack Deep Frying Equipment
2	400kg/h Industry Continuous Belt Frying Machine Frying Potato Chips Machine Fried Chicken Machine
3	Mozambique 300kg/h Continuous Nut Frying Machine Low Price Professional Automatic Fryer
4	Bangladesh 200kg/h Fully Continue Equipment Frying Ly-1800c Automatic Continue Food Processing Frying Machine For Sale
5	600kg/h Thai Frying Continuous Frying Machine Commercial Fryer Pressure Snack Continuous Frying Machine
6	Uzbekistan 200kg/h Frying Industrial Frying Machine Full Automatic Industry Large Fried Potato Continuous Frying Machine

Continuous Namkeen Snack Deep Frying Equipment
