

Stainless Steel Continuous Fish Skin Fryer Machine

Especificações :

Preço	Check with frying Machine Team Saler
Marca	Loyal Stainless Steel Fish Skin Fryer Equipment
Local de origem	China
Condições de pagamento	L/C,D/A,D/P,T/T,
Capacidade de fornecimento	25Days of Continuous Fish Skin Fryer Machine
Team	Professional Fryer Technology Team
Process	Ten Years Of Fryer Equipment Manufacturing Process

Introdução detalhada :

Introduction Of Stainless Steel Industrial Crispy Fish Skin Fryer

Stainless steel continuous fish skin fryer machine with deep fryer filter system continuous fryer is water oil frying mixing equipment. The commercial fryer for air fry salmon skin in fried plant sold adopts the most advanced oil mixing principle in the world. The upper layer fry food, the lower layer accepts the sinking residue, the oil will not turn black. This continuous fish skin chip fryer is smokeless and good for the environment. Industrial fryers can be used to fry chicken, chips, doughnuts, snacks and more. Shandong Loyal have designed the high quality industrial crispy fish skin automatic fryer machine solutions based on the needs of our customers to meet different customer needs. The continuous air fry salmon skin fryer sold is completely safe and easy to clean.

Stainless Steel Continuous Fish Skin Fryer Workshop production equipment

How Is Crispy Fish Skin Chips Made With Continuous Fryer Machine?

People also ask how to use automatic frying machine?

Shandong loyal can configure the most suitable stainless steel continuous fish skin fryer machine with deep fryer filter system for different products to optimize the frying effect. The feeding of deep frying machine can be fully automatic, and the discharging is automatic and easy to operate.

Production Process Of Continuous Fish Skin Chips Fryer Machine

1	Continuous fish skin frying machine	Used for frying many kinds of foods, equipment with timer, automatic stirring device, and automatic unloading device.
2	Oil filter	Used for filtering the sediments while frying, try the best to p
3	De-oiling machine	Centrifugal de-oiling and continuous working, the de-oiling t frequency conversion control speed, frequency conversion
4	Seasoning machine	Continuous flavoring machine, we can adjust the tube speed to get the best mixing effect.
5	Conveyor	Convey the finished products to the next machine.

Flow Chart: Continuous Fish Skin Deep Frying Machine -- Oil Filter -- De-Oiling Machine -- Seasoning Ma

What Is The Technical Parameter Of Crispy Fish Skin Automatic Fryer Machine?

Technical Parameter Of Automatic Fish Skin Chips Fryer Machine

Model of fryer	Dimension(mm)	Capacity(kg)	Power(kw)
LY-BM 1000	2000*1200*1600mm	100-150kg/h	36kw
LY-BM 2000	2500*1300*1650mm	150-200kg/h	48kw
LY-BM 3000	3500*1600*1700mm	200-300kg/h	60kw
LY-BM 5000	4500*1900*1800mm	300-500kg/h	82kw

What Brand Of Motors Can We Supply?

ABB Motor Of Fish Skin Chips Frying Machine

1	Package level 1 units	0 carton
2	Product name	3-Phase squirrel cage motor
3	Product net weight of industrial fish skin chips fryer	5.9 kg
4	Product type	3AA2__M3AA_IE2_AA
5	Scip of air fry salmon skin deep fryer machine	27ac6190-e1ce-4080-8654-6552aaabbe
6	Selling unit of measure	piece
7	Standards of continuous fish skin fryer machine	IEC 60034-1
8	Starting of motor	Direct Online

What Is The Features Of Industrial Fish Skin Chips Fryer?

The Stainless steel continuous fish skin fryer machine with deep fryer filter system produced by Shandong Loyal company has a variety of frying forms and models to meet the needs of different customers. Commercial fryer machine is mostly used for frying shrimp chips, potato chips, fish, peanuts and other foods.

Features of High Quality Automatic Continuous Fish Skin Fryer Machine

1	Heating source of continuous fish skin fryer machine: electricity or gas.
2	Automatic mixing: to ensure products being uniformly fried and prevent them from compression
3	Automatic discharging and optional automatic feeding: through motor-driven manner to reduce labor
4	Automatic temperature control of circular deep fryer: 0-300°C to be set at your will.
5	Oil-water separation filtering system or pure oil filtering system.
6	Air fry salmon skin deep fryer machine can be widely used to fry the snacks, pellets, potato chips, peanuts etc.
7	The whole deep fat fryer machine is made of stainless steel 304.

What is Application Range Of Commercial Deep Fryer Fish Skin Chips?

Stainless steel continuous fish skin fryer machine with deep fryer filter system is widely used in crispy fish skin shrimp chips, fried dried fruit nuts, puffed food, meat product, etc, such as rice crisp, sweet sticky rice strips, peanut, beans, and fried cake with sugar, squid, fried chicken, and so on, an ideal frying equipment to produce fried food.

The Application Of Continuous Fish Skin Chips Frying Machine

1	Cooked wheaten food	Fried dough twist, rice crust, honey food, honey mito, deep-fried dough balls with sesame, gluten, polished glutinous rice stick, caramel treats, etc.
2	Meat	Braised chicken (coloring), pressed salted duck (coloring), braised streaky pork, drumstick, pig's feet, etc.
3	Marine food products	Various fish, crispy fish skin, peeled prawns, scallop, mytilidae, abalone, etc.
4	Bean products	Dried tofu, bean curd, fish bean curd, bread made by tofu.
5	Nut fruits	Groundnut kernels, green soya bean, broad bean, sunflower seed.
6	Miscellaneous	Vegetable pie, tempura, eggplant box, lotus root box, various fried puff

Applications of Stainless Steel Fish Skin Fryer Machine in Manufacturers

Which Market Did The Loyal Continuous Salmon Skin Crisps Deep Fryer Machine?

Customer Case Of Continuous Fish Skin Chips Frying Machine At 2021

1	500kg/h Thai stainless steel continuous fish skin fryer machine with deep fryer filter system Thailand customer
2	300kg/h large scale high quality commercial frying machine for air fry salmon skin for sale in Uzbekistan
3	500kg/h automatic air fry salmon skin frying machine for sale in Nigeria
4	600kg/h best price industrial salmon skin crisps fryer continuous deep frying machine for factory
5	1000kg/h industrial crispy salmon skin deep fryer machine equipment for sale in Japan
6	English 200kg/h high quality commercial frying machine for salmon skin crisps
7	Bangladesh 200kg/h fully automatic air fry salmon skin deep fryer machine

Customer Case Of Commercial Frying Machine For Fish Skin Chips At 2021

1	Stainless steel continuous fish skin fryer machine with deep fryer filter system 500kg/h in Algeria
2	800kg/h industrial crispy salmon skin deep fryer machine for sale in Senegal
3	600kg/h stainless steel continuous fish skin fryer machine with deep fryer filter system sold in Russia
4	400kg/h cost of high quality commercial frying machine for salmon skin crisps sold in Japan
5	200kg/h industrial commercial fried salmon skin chips frying machine plant for factory for sale in India
6	1000kg/h industrial fried salmon skin chips frying machine price for sale in Bolivia
7	Senegal 100kg/h industrial fully automatic commercial crispy salmon skin frying machine plant

Customer Case Of Industrial Salmon Skin Crisps Deep Fryer Machine At 2021

1	500kg/h industrial crispy salmon skin deep fryer machine for sale in Bolivia
2	Mozambique 500kg/h best price industrial fish skin chips fryer continuous deep frying machine
3	300kg/h industrial continuous fish skin chips commercial deep fryer filter system for sale in Brazil
4	150kg/h Thai commercial fish skin chips frying machine plant for factory
5	Egypt 100kg/h fully automatic crispy salmon skin deep fryer machine price

6	USA 1000kg/h high quality industrial crispy fish skin automatic fryer machine
7	800kg/h industrial salmon skin crisps frying machine for sale in Japan
