High Quality Continuous Microwave Rubber Mattress Drying Machine

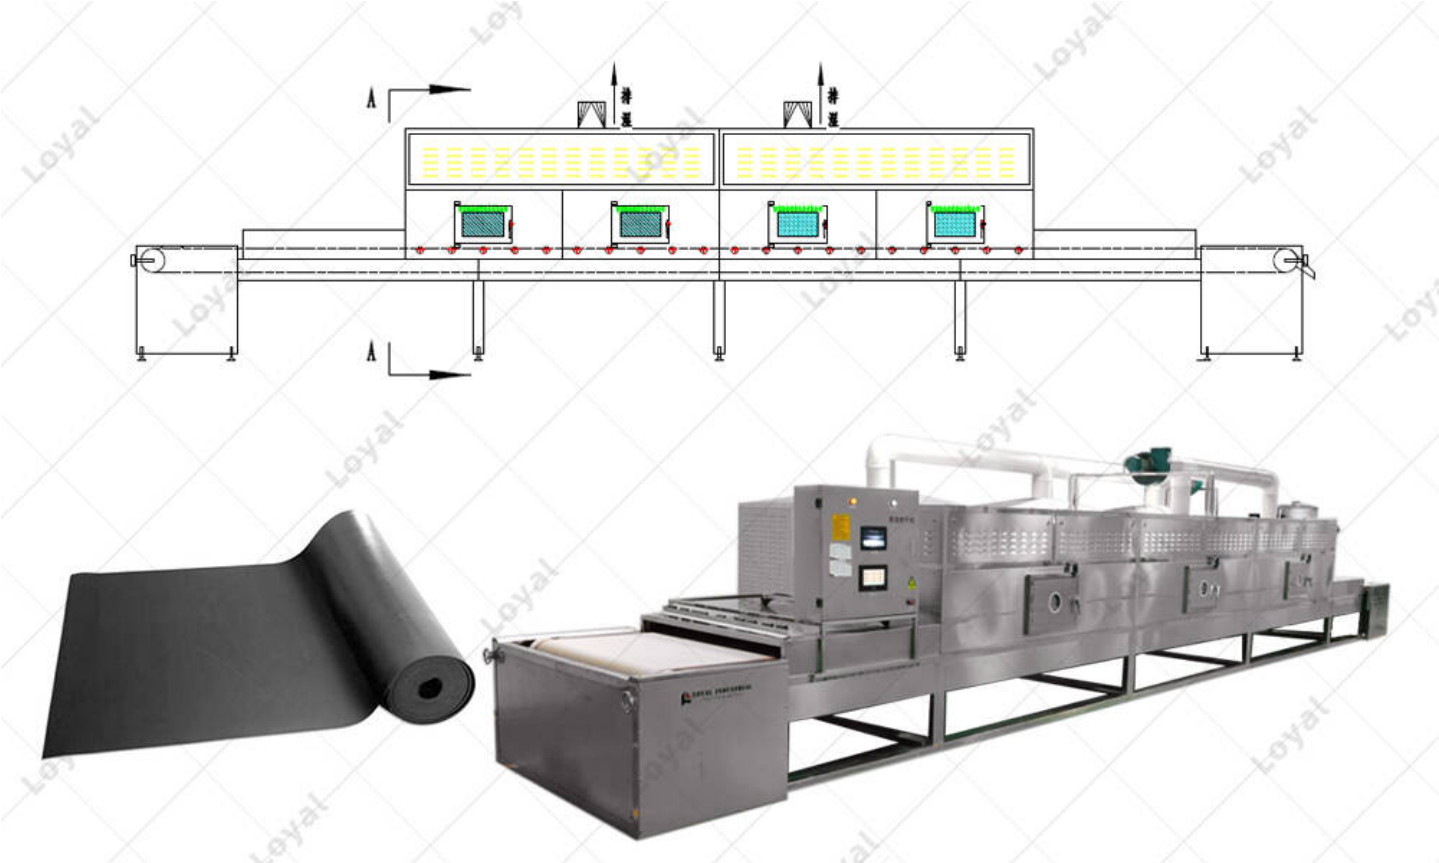
Especificações :

Preço	Check with Microwave Drying Machine Team Saler
Marca	Loyal Microwave Drying Machine
Número do modelo	Continuous Microwave Rubber Mattress Drying Machine
Local de origem	China
Quantidade Min.Order	1set of Microwave Equipment
Condições de pagamento	TT
Capacidade de fornecimento	20Days of Microwave Equipment
Detalhes da embalagem	High Quality Continuous Microwave Rubber Mattress Drying Machine

Introdução detalhada :

High Quality Continuous Microwave Rubber Mattress Drying Machine

As a latex drying machine manufacturer, our high quality industrial continuous microwave rubber mattress drying machine has penetrating performance inside and outside the media heating at the same time. Industrial rubber drying and dehydration machine can saving drying time and avoid the raw material becoming metamorphism,and the drying effect is good for rubber insects,meat, tea,mushroom and so on. Microwave rubber heating equipment is used in fast food,chemical rubber,mineral,pebbles and other products that require rapid heating.



CAD of Continuous Microwave Rubber Mattress Drying Machine

Introduction Of Continuous Microwave Rubber Mattress Drying Machine

The microwave rubber mattress heating equipment uses electric energy as an energy source,and uses a magetron to convert electrical energy into microwave,and directly performs non-contract heating on the materials.The rubber latex tunnel dryer adopts microwave drying process to dry. It is a new type of drying technology equipment.The rubber microwave drying disadvantages is fast drying speed and good quality. It has become the preferred latex drying equipment for many latex customers. All in all, only the perfect combination of formula-process-equipment can produce high-quality products.

What Is Technical Parameter Of Industrial Microwave Rubber Mattress For Sale?

Technical Parameter Of Industrial Microwave Rubber Mattress Dehydration Machine				
Model	Working	Input Power	Microwave Output	Size
LY-12	2450MHz	18kw	12kw	7200x650x1800mm
LY-15	2450MHz	20kw	15kw	8300x720x1800mm
LY-20	2450MHz	26kw	20kw	8500x750x1800mm
LY-30	2450MHz	36kw	30kw	10500x950x2000mm
LY-40	2450MHz	46kw	40kw	10500x1050x2000mm
LY-50	2450MHz	58kw	50kw	12200x1200x2000mm

Dehydration Machine?

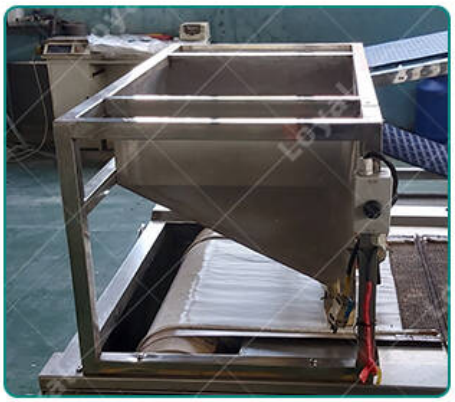
The core of rubber microwave drying equipment is a microwave generator. At present, the frequency of latex microwave drying is mainly 2450 MHz. Continuous rubber microwave oven is mostly used in the drying of chemical, food, agricultural and sideline products, wood, building materials, paper products and other industries. It can also be used for food, agricultural and sideline products, etc. sterilization.

Sample of Continuous Microwave Rubber Mattress Drying Machine

Application Of Industrial Rubber Latex drying equipment	
1	Insects such as locusts, locusts, earthworms, black soldier fly larvae, centipedes, scorpions.
2	All kinds of teas,herbs, flowers, green leaves,etc.
3	Gel-like materials, such as silicone, rubber and latex, etc.
4	Various dried meat, like beef, pork, chicken,duck, fish etc.
5	Powder for various material,such as spices, other food additives.
6	Agricultural products,such as china date,nuts,grains,peanut,etc.
7	Chemical material,medicine tablet or pill,such as watered pills,water-honey bolus,honeyed bolu Tibetan pill,etc.

How Is Advantages Of Industrial Microwave Silica Gel Tunnel Dryer?

Advantages Of Industrial Microwave Silica Gel Tunnel Dryer	
1	The industrial rubber microwave locust dehydrator greatly shortens the processing time, is easy operate.
2	The microwave silica drying and dehydrating machine has high processing efficiency, low energ footprint and low cost.
3	The temperature of the dried rubber mattress is uniform and the expansion is good. The industr microwave machine has a high degree of automation and can run continuously for 24 hours.
4	The latex industrial microwave oven adopt 304 stainless steel, compact structure, no energy dis



Continuous Microwave Rubber Mattress Drying Machine in factory

What Is Our Industrial Silica Gel Microwave Services?

Industrial Microwave Rubber Latex Services	
1	One year complete warranty.
2	Free consultation service before, during, and after sales.
3	Overseas installation and training of equipment maintenance and operating personally.
4	Free Project planning and design services upon clients' special demands.
5	Provide basic production techniques and formulas.
6	Debugging and inspecting of equipment until everything is functional before leaving the factory.

Which Market Did The Loyal Industrial Microwave Rubber Latex Dehydration Machine?

Customer Case Of Large Scale Continuous Silica Gel Tunnel Dryer At 2021	
1	1000kg/h Thai industrial rubber belt dryer for Thailand customer
2	1000kg/h large scale industrial latex drying equipment for sale in Uzbekistan
3	1500kg/h automatic silica gel drying equipment for sale in Nigeria
4	1000kg/h microwave rubber drying equipment for factory in Canada
5	1000kg/h industrial microwave rubber drying equipment for sale in Japan
6	English 1000kg/h fully automatic latex microwave drying equipment
7	Bangladesh 2000kg/h fully automatic latex microwave drying equipment
Customer Case Of Continuous Industrial Latex Belt Dryer At 2021	
1	Continuous industrial rubber drying equipment fully automatic 500kg/h in Algerian
2	800kg/h industrial automatic industrial rubber belt dryer for sale in Senegal
3	1000kg/h industrial drying latex equipment in pharmaceutical industry sold in Russia
4	1000kg/h cost of latex microwave drying equipment sold in Japan

5	2000kg/h industrial silica gel microwave price for factory for sale in Egypt
6	1000kg/h industrial microwave rubber price for sale in Bolivia
7	Senegal 1000kg/h industrial fully automatic silica gel industrial sized microwave
Customer Have Factory Case Of Industrial Rubber drying equipment At 2021	
1	1500kg/h industrial rubber drying equipment and systems for sale in Bolivia
2	Mozambique 1500kg/h industrial latex drying equipment
3	1300kg/h industrial continuous latex belt dryer for sale in Brazil
4	1500kg/h Thai microwave silica gel drying equipment for factory
5	Egypt 1000kg/h fully automatic industrial rubber microwave price
6	USA 1200kg/h microwave silica gel drying equipment
7	800kg/h industrial microwave silica gel drying equipment for sale in Japan
